School Donation /extra programmes / Stationery 2018

Dear Parents/Caregivers

Donations

We greatly appreciate all donations made to the school and the discounts for early payment will be available again. The school donation for the 2018 school year is as follows:

	Per year	Pay by end of March 2018	Per term
1 Child	\$180	\$160	\$45
2 or more children	\$335	\$300	\$83.75

Payment can be made at the office by cheque, EFTPOS, Visa, internet banking or automatic payments can be arranged with your bank. Our bank account details are ASB 12-3080-005948600. Please ensure you complete the reference section with your child's name and specify "school donation". You are able to claim a tax refund on school donations paid by requesting and completing an IR526 form from the Inland Revenue.

Kiwisport

In terms 2 and 3 our school works with North Harbour Sport to give children the opportunity to experience two sports taken by trained coaches taking five lessons per class. The overall objective is to expose children to new and different sports so they become active and realise that sport can be a fun way to stay healthy as well as having a competitive element. The school subsidises the Kiwisport lessons by using Kiwisport funding provided as part of its Operations Grant and the total contribution payable by families for 2018 is \$10 per child which works out at \$1 per lesson – great value.

Mathletics and Reading Eggs

We offer Mathletics and Reading Eggs online programmes after great feedback from families, students and parents, as a supplement to class programmes and homework. Parents and caregivers asked if they can register their children through school as it is much cheaper than the family charge. The whole school is offered Reading Eggs and Mathletics is offered from Year 3.

Life Education

The Life Education caravan will be at school later in 2018 and forms a part of the teaching and learning programmes in the Health area of the curriculum in a fun and interactive way.

Stationery

At Glamorgan School we offer a stationery pack that consists of stationery the teachers have carefully chosen to match the needs of their teaching programmes and that is robust enough to last the year. Class consumables such as felt pens, crayons, highlighter pens and coloured pencils are bought in bulk and shared in the class which keeps costs as low as possible. These consumables are included in the stationery pack. The school makes no profit on these packs.

Paper and photocopying is a contribution gratefully received.
